

SEEPARK THUN
CONGRESS
HOTEL****

A WARM WELCOME

The Hotel Seepark stands on the shore of Lake Thun, surrounded by the venerable trees of the Schadau Park. An address right by the water's edge comprising 85 modern guest rooms, four Junior Suites and two Panoramic Suites – all of which are bright, stylish and elegant. There are 17 plenary, seminar and group rooms with plenty of natural light, offering the perfect setting for conferences, hybrid-meetings, workshops and seminars. State-of-the-art infrastructure and technology help you get your messages across.

Before and after your seminar, the hotel and the restaurant offer excellent food and drink options with sophisticated creations and delicious flavours, reflecting our regional cuisine. Bistro or gourmet atmosphere, elegant rooms with views of the lake or the park – there is a suitable setting for every event.

Our guests enjoy a special experience in the hotel's own wellness and fitness area. The natural surroundings offer opportunities for walk and jogging. While you explore the surroundings on a mountain-, city or electric bike, new ideas are being generated. By the lake, water is the central element: Stand-up paddles, kayaking or canoeing provide a kick of freshness.

Also available at the Seepark: Chef's Table in the Seepark kitchen, fondue or raclette parties in the traditional Carnotzet, BBQ on the garden terrace, receptions on the roof terrace – ask us for ideas for your individual supporting programme.

Inspired by the peaceful atmosphere and breathtaking views of the lake and mountains – for learning, exchanges, strategy discussions and special moments –, our guests get new impulses and plenty of enjoyment.

We wish you a warm welcome!
The Seepark Team

Congress Hotel Seepark Thun: «NNZ am Sonntag, BELLEVUE» Hotel Rating 2022 – Seepark reaches fourth place, in the city hotels category.
